## **INTRODUCTION**

This report provides an observation of the Wayanad Muslim Orphanage (WMO) in Muttill, Wayanad, Kerala. Established in 1967, WMO is a charitable organization dedicated to the holistic care and support of orphans and destitutes in the region.

### **Name & Address of the Institution**

Wayanad Muslim Orphanage (WMO)

Muttill, Kalpetta, Wayanad, Kerala,

### **Mission and Vision**

**Mission:** To provide comprehensive care, education, and support to orphans and destitutes, ensuring their well-being and future opportunities.

**Vision:** To be a leading institution in orphan care, offering a nurturing environment and quality education to empower children and destitutes for a better future.

### **Institutional Objectives**

- To offer a safe and nurturing environment for orphans and destitutes.
- To provide quality education through the operation of various educational institutions.
- To support the socio-economic development of the community through small-scale industrial ventures.
- To promote the overall well-being of children by addressing their physical, emotional, and educational needs.
- To foster a sense of community and social responsibility among the residents and staff.

## HISTORY OF THE ORGANIZATION

WMO was established in 1967 under the visionary leadership of Syed Abdul Rahman Bafaqi. Initially, it began as a branch of the Mukkam Muslim Orphanage. Over the years, WMO has expanded its services, now operating around 20 educational institutions and small-scale industrial ventures, significantly contributing to the community's development.

## Services, Programs, and Projects

WMO offers a wide range of services and programs, including:

**Orphan Care:** Providing food, shelter, and clothing to orphans and destitutes.

**Educational Institutions:** Operating approximately 20 schools and colleges, offering quality education from primary to higher secondary levels.

**Industrial Ventures:** Running small-scale industries to provide vocational training and employment opportunities.

**Healthcare Services:** Ensuring regular medical check-ups and healthcare facilities for the residents.

**Community Services:** Engaging in various community development projects to uplift the socio-economic status of the region.

## OBSERVATION

During the observation period, the following aspects were noted:

**Environment and Facilities:** WMO maintains clean and well-organized facilities, including dormitories, classrooms, and industrial units. The environment is safe, nurturing, and conducive to learning and development.

**Staff Interaction:** The staff members are dedicated and compassionate, providing individualized attention and support to the children. They work collaboratively to ensure the holistic development of the residents.

**Educational Programs:** The educational institutions operated by WMO provide quality education, focusing on both academic and extracurricular activities. The emphasis on holistic education helps in the overall development of the children.

**Industrial Ventures:** The small-scale industrial ventures offer valuable vocational training, helping residents acquire skills that enhance their employability. These ventures also contribute to the organization's selfsustainability.

**Healthcare Services:** Regular medical check-ups and healthcare services ensure the physical well-being of the residents. The healthcare staff are attentive and responsive to the needs of the children.

**Community Engagement:** WMO actively engages with the community through various development projects, fostering a sense of social responsibility and collective growth.

## LEARNINGS

A holistic approach that includes care, education, vocational training, and healthcare is essential for the comprehensive development of orphans and destitutes.

Creating a nurturing and supportive environment significantly enhances the well-being and growth of children.

Community engagement and development projects play a crucial role in uplifting the socio-economic status of the region.

## **EVALUATION**

Wayanad Muslim Orphanage (WMO) is a commendable organization making significant contributions to the welfare of orphans and destitutes in Wayanad. The comprehensive services, dedicated staff, and focus on holistic development and community engagement contribute to the overall success and impact of the organization. Continued support and resources will further enhance WMO's ability to serve its residents and the community effectively.
